

Autism Awareness Community Outreach Fair

The NewYork-Presbyterian Autism Task Force cordially invites you to the inaugural NewYork-Presbyterian Autism Awareness Community Outreach Fair. The purpose of this fair is to introduce families to organizations that can provide them information and support. We look forward to your participation at this inaugural event and for the following years to establish the outstanding level of excellence we are committed to providing to our community.

April 2, 2019, 3-6 pm, Wintergarden Lobby
NewYork-Presbyterian Morgan Stanley Children's Hospital
3959 Broadway, NY, NY 10032

RSVP appreciated but not necessary. Please e-mail Ali at alh9010@nyp.org to RSVP or for more information

This event is presented by the NewYork-Presbyterian Autism Task Force, which is a multidisciplinary team of providers from NewYork-Presbyterian, Columbia, and the Center for Autism and the Developing Brain. The task force promotes awareness and advocacy for individuals with autism and their families.
